Selectmen's Meeting

Selectmen Present: Jennifer Boucher, Bruce Frazer, Jessica Brusseau

Town Treasurer: Monica Jaynes (taking minutes)

Public Present: Pat & John Lang, Allen Chace, Alice Frazer and Dan Powers.

Work Meeting started @ 6:00pm regarding legal issues. Meeting over @ 6:30pm.

Regular meeting called to order @ 6:35, motion made to go into non-public @ 6:40 by Jennifer, seconded by Bruce. Selectmen came out of non-public @ 6:45pm and went into regular meeting.

Bruce update Selectmen that one bid was made on the lighting at this time for the Town Hall project. The due date for all bids for the lighting and ceiling is July 8th, 2019. All bids will be opened July 09, 2019 by the Selectmen at their regular meeting.

It was mentioned that P & G Farms might be interested in doing a recycling program at their facility and heard that if doing so they would be in violation to Pete's Rubbish's contract. After looking at Pete's Rubbish's contract and speaking with Neil Robbie, there would be no violation if a recycling program takes place.

It was mentioned that the N. Monroe Cemetery has not been mowed or cared for in quite some time. The Selectmen will reach out to Todd Webster regarding this issue.

A contract for the use of the Town Hall was signed by the previous Selectboard for a wedding scheduled for Oct 4, 5 & 6th. Need to contact the party to see if they still need the Town Hall (do to new flooring). Another request was made for the Town Hall on Oct. 6 & 7th. This will depend on the Person that has the Town Hall Oct 4th-6th.

A representative for Black Top Paving came and met with Bruce and Bill Lang regarding paving that needs to be done at the Library and also in Harley View (near the circle). They will be giving an estimate soon.

Alice Frazer asking for some Selectmen's minutes. Copies of the minutes given to Alice that she inquired about.

Dan Powers would like to have the water meter reinstalled in his Aunt's house @ 40 Woodsville Road.

Meeting adjourned @ 8:05pm

Respectfully Submitted:
Monica Jaynes, Town Treasurer
