IT OUT AT THE LIBRARY

We are gearing up for a summer full of fun!

CHILDREN'S LIBRARY CARD DESIGN CONTEST

MCS students in grades K-3 recently visited the library and enjoyed reading Bunny's Book Club by Annie Silvestro. In this story many animals went to great lengths to get books then were surprised when the librarian gave them all library cards! We invited everyone to design a library card for the Monroe Public Library to give children that visit the library. If you have a child that would like to design one, stop in for an entry form or download one from the library page of www.monroenh.org. Children up to grade 4 are welcome to participate; they do not need to be a Monroe student. Entries are due June 14. Come in between June 20 and July 8 to vote for your favorites.

LET'S GO WILD...

FOR READING! Come to the library in July for our summer reading programs. We'll learn about nature and animals that live in our area, participate in games and activities, make crafts, and hopefully *GET OUTSIDE!*

Mondays
July 10, 17, 24, 31

9am for grades Pre-K to 1

11am for grades 2 to 4

Drop in activities and make and takes available to those who cannot attend at these times.

GAME NIGHTS

Tuesdays in July
(11th, 18th, 25th)
from 4-6:30pm

Bring a friend or the whole family and play some table top games. We'll have a variety of games for all ages. Feel free to bring your favorites.

If the weather cooperates, there will be yard games to take outside.

GARY MOORE'S LIST OF PLACES TO GO AND THINGS TO DO

We've compiled our notes and typed up a list. Whether you came to Gary's presentation or not this is a great list of mostly "north country" places to go hiking, canoeing/kayaking or to look for wild animals and plants. Most are easy to get to as well. Get a copy at the library or download it from the library page of www.monroenh.org.

We also have Gary's book *Four Seasons in Vermont* available to borrow.

IT OUT AT THE LIBRARY

Mark your calendars for these two July events that are free & open to all ages
