Dogs should be licensed before April 30 to avoid any fines or penalties. An up-to-date rabies vaccine is required. Renewals for 2024 licenses may also be done on line at [monroenh.org](http://monroenh.org).

#### VEHICLE REGISTRATIONS

Motor vehicle registration renewals are available online at [monroenh.org](http://monroenh.org). If you have purchased a new (or new to you) vehicle, all owners need to come in for initial title/registration paperwork to sign. Please bring prior registration for renewals.

### EVER THOUGHT "IT'D BE NICE IF \_\_\_\_\_ HAPPENED IN MONROE"?

About a dozen residents gathered recently to discuss the development of a committee with the selectmen for the purpose of building community through activities in town. The idea is to support existing groups that have activities and organize new activities. There are multiple ways you can be involved; volunteer as much or as little time as you can. There is a short form to fill out, if you're interested. Copies are at the town office and library or have one emailed to you (please return by Feb.7)

Make arrangements with Jessica to learn how.

**LIBRARY OF THINGS**

Need something for a short time? See if we have it in our library of things collection. We have snowshoes, a laminator, binoculars, garden tools, a stair tread tool, thermal leak detector and a radon detector.

Let us know if you have a suggestion for additional items or have something to donate that would be useful to others.
